Adult

★★★ 3 STAR SKI PACKAGE

Includes a recreation ski, softer in the tail and in the tip. We recommend this package for beginners to low intermediate skiers.
Included: Skis, Boots & Poles

★★★★ 4 STAR SKI PACKAGE

Includes a performance ski, stiffer with more side cut. These will enable a developing skier to carve their turns and an advanced skier to be more aggressive.
Included: Skis, Boots & Poles

★★★★★ 5 STAR PACKAGE

We have skis to suit just about anyone, from race and all mountain skis to twin-tips. These are high performance skis designed for the retail market. We have a wide range to suit all abilities, from low intermediate to expert and also a womens' specific range. *Included: Demo skis, demo boots, poles.*

SNOWBOARD & BOOTS

We recommend this board for the beginner. Soft flex for various weight riders and forgiving base bevel.

PERFORMANCE SNOWBOARD & BOOTS

Our performance snowboards are ROME CRAIL with a ROME arsenal binding. They have a more aggressive side cut and a progressive flex than our regular rental board. We recommend this set up for the more experienced snowboarder that is comfortable on all terrain.

Kids

SKIS & BOOTS (0-5yrs)

For the mini mites. Skis & Boots only or we have plastics which can be attached to shoes for your toddlers' first snow experience. For \$5 a day we can also hire you an 'edgie wedgie' used to attach the skis at the tips until they gain their balance. Either way, they will probably end up skiing better than their parents!

SKIS, BOOTS & POLES (6-14yrs)

Our shop gives kids a real ski, a K2 T-nine or a Dynastar Course. Upgrade to twin-tips if the kids want to try the terrain park!

KIDS TWIN-TIPS (120-150cm)

These are advanced kids skis, the Dynastar Team Trouble. Ideal for developing technique all over the mountain or tackling Falls Creeks freestyle terrain.
